Description

Picture yourself waking up to Caribbean waves lapping at your private shoreline. Six bedrooms, each with its own personality, frame ocean views through shuttered doors and soaring ceilings. This isn't just another beach house, it's where indoor gardens grow beside your shower and granite countertops reflect morning light.

The open-air living spaces blur boundaries between inside and out. Exposed wooden beams stretch overhead while tropical breezes flow through. Your private pool catches sunlight all day, surrounded by palm trees and multiple terraces perfect for morning coffee or sunset cocktails.

Each bedroom tells its own story. Master suites with king beds open directly to the ocean. Guest rooms feature queen beds beneath vaulted ceilings, some with decorative iron frames that add Caribbean character. The bathrooms surprise with indoor tropical gardens and vessel sinks that turn daily routines into spa moments.

Your dedicated staff handles everything from breakfast to dinner service (8am-11:50pm daily). The cook prepares local specialties while you lounge poolside. Two golf carts wait in the driveway for exploring Casa de Campo's championship courses and beaches.

The villa includes round-trip airport transfers and 24/7 concierge service for yacht charters, private chefs, or spa treatments. Air conditioning and WiFi keep you comfortable and connected.
