Description

Picture waking up to turquoise waters stretching endlessly before you. Villa Ande sits directly on Minitas Beach, where the ocean becomes your backyard.

This eight-bedroom retreat sleeps 16 guests across three separate wings. Perfect when you want togetherness and privacy in equal measure. Two master suites anchor the property: one upstairs with sweeping ocean views, another on the ground floor for easy access.

Italian architect Gianfranco Fini designed every detail. The result? Spaces that breathe with Caribbean light. Vaulted ceilings soar overhead. Ocean breezes flow through open living areas. A game room with pool table keeps competitive spirits happy. The infinity pool seems to spill right into the sea.

Your private beach awaits just steps away. No crowds. No strangers. Just your group and the sand.

Four dedicated staff members handle everything from 8am to midnight. The cook prepares local favorites. The housekeeper keeps spaces pristine. The waiter serves poolside drinks. Need restaurant reservations or yacht charters? Your 24/7 concierge arranges it all.

Each bathroom feels like a private spa with mosaic tiles, soaking tubs, and rain showers. Air conditioning and WiFi throughout.
