Description

Picture this: You're sipping morning coffee while gazing at the Caribbean Sea, golf greens stretching between you and the horizon. Villa Blanca sits in Casa de Campo's exclusive Vista Chavon, offering privacy that feels like your own tropical kingdom.

This isn't just another vacation rental. With 10 bedrooms sleeping 24 guests, it's where families reunite and companies retreat. The infinity pool seems to spill into the ocean view. Multiple lounges, both indoor and outdoor, mean everyone finds their perfect spot, whether you're the sunrise yoga type or the midnight conversation enthusiast.

Your dedicated staff handles everything. The chef crafts local and international dishes. The housekeeper keeps things pristine. The waiter ensures drinks stay cold. They work from 8 AM to midnight, while 24/7 concierge services arrange anything from yacht charters to private yoga sessions.

Work doesn't stop on vacation? High-speed WiFi and dedicated workspaces let you handle business between beach sessions. Two golf carts (6-seater and 4-seater) are yours to explore Casa de Campo. Airport transfers? Already handled.

The real magic happens in the details: water features greeting you at the entrance, that perfect breeze through palm trees, bedrooms designed for comfort (one king suite, one king room, eight rooms with two queens each).

Daily rates range from \$9,000 in low season to \$14,000 during peak holidays, with a six-night minimum during high season.
