Description

Picture waking up to tropical birds in your own private paradise. Villa Dalizia sits on 3,000 square meters of lush gardens in Casa de Campo's exclusive Los Limones neighborhood.

This modern four-bedroom retreat sleeps twelve comfortably. The open-plan living spaces flow seamlessly from inside to out. Floor-to-ceiling windows flood every room with Caribbean light. Your private pool beckons just steps from the covered gazebo, perfect for lazy afternoons with a book and a rum punch.

The beach? Five minutes on foot. The marina's buzzing restaurants? Even closer. But with your own chef preparing meals and staff handling every detail from 8am to midnight, you might never leave.

Each bedroom opens to garden or pool views. The master suite has its own terrace for morning coffee in peace. Modern bathrooms and air conditioning throughout keep everyone comfortable after sun-soaked days.

Two golf carts come with the villa. Zip around Casa de Campo's manicured grounds or cruise to the beach club. Your 24/7 concierge arranges everything else: yacht charters, spa treatments, whatever you need.

The real magic happens in the evenings. Gather everyone for dinner under the stars. The outdoor dining area seats your whole group. Later, sink into plush sofas in the living room while tropical breezes drift through.

Daily rates start at \$3,000 during low season and reach \$4,500 during peak periods.
