Description

Perched above Arienzo beach with sweeping views of the Li Galli islands, Villa Daniela offers three independent apartments that sleep 14 guests across six bedrooms. Just five meters from the beach stairs and a 10-minute stroll to Positano's heart.

Each apartment tells its own story. The penthouse wraps you in panoramic views from its private terrace, complete with barbecue and dining for leisurely Italian feasts. The two-level residence spans over 100 square meters, featuring a grand fireplace, piano, and terrace where 12 can dine watching the sun dip behind the coastline. The third apartment frames those mythical Li Galli islands, where sirens once sang to Ulysses.

Wake to Mediterranean blues from memory foam beds. Prepare morning espresso in kitchens dressed in hand-painted Vietri tiles. Cool off in the shared pool while boats dot the horizon below. One bathroom features a tub carved directly into the rock, a detail that captures the coast's raw beauty.

Air conditioning keeps you comfortable. WiFi keeps you connected. Private chef services bring local flavors to your table. The villa balances seclusion with accessibility: buses and water taxis connect you to Sorrento and Amalfi when wanderlust calls.

From intimate terraces with outdoor showers to sprawling living spaces with chessboards and sofas, Villa Daniela delivers both grand gatherings and quiet moments. Daily rates start from €3,500 in low season.
