Description

Step into Villa Dasha and feel the warm Dominican breeze flow through soaring cathedral ceilings adorned with rich tropical wood. This sprawling estate spreads across manicured gardens where palm trees sway beside your private swimming pool.

The heart of the villa opens to reveal a dramatic great room where natural light dances across marble floors. Sink into plush sectional sofas while gazing through floor-to-ceiling windows at your tropical paradise. The chef's kitchen beckons with granite counters, a breakfast bar, and professional appliances, perfect for morning coffee or evening cocktails.

Five bedrooms offer private sanctuaries, each with its own character. Master suites feature luxurious stone bathrooms with vessel sinks, rain showers, and skylights that frame the stars. Wake to garden views, then step onto your terrace for breakfast under the gazebo.

The grounds tell their own story. Manicured hedges guide you along stone pathways. Multiple living areas, both indoor and outdoor, create spaces for every mood. Host dinner parties in the formal dining room beneath crystal chandeliers. Screen movies in the media room. Or simply float in the pool while tropical birds sing overhead.

Villa Dasha blends indoor and outdoor living seamlessly. Every room opens to terraces, gardens, or pool decks. The architecture celebrates natural materials, stone, wood, marble, creating a retreat that feels both luxurious and connected to nature.

Located in an exclusive gated community, you'll enjoy privacy while remaining close to beaches, golf courses, and local attractions.
