Description

Picture yourself waking up in a crisp white bedroom. Sunlight streams through floor-to-ceiling windows. Your private terrace overlooks tropical gardens. This is morning at Villa Elena.

Seven bedrooms spread across this contemporary Caribbean retreat in Casa de Campo's exclusive Barranca Este. Each room opens to outdoor spaces. Natural materials meet modern comfort - think woven headboards against cool travertine floors, blue accents echoing the pool just outside.

The heart of the villa? An open-plan living space that breathes. Vaulted ceilings with exposed beams. A kitchen island where your private chef prepares fresh ceviche. Dining tables that seat everyone - inside or poolside under the thatched gazebo.

That pool stretches endlessly toward garden views. Lounge on blue-cushioned daybeds. Challenge friends on your private pickleball court. When evening comes, the outdoor barbecue area calls.

Your dedicated staff handles everything. The cook knows your breakfast preferences by day two. The housekeeper keeps spaces pristine. The concierge arranges golf at Teeth of the Dog or yacht trips along the coast.

Casa de Campo's beaches and restaurants sit minutes away. But with spaces this inviting and service this seamless, leaving feels optional.

From \$7,500 per night (3-night minimum). Peak season rates apply December through April.
