Description

AVAILABLE FOR JUNE 2026 ONLY

Villa Élysée offers an extraordinary opportunity for the 2026 US Open Golf Championship at Shinnecock Hills. This 12,000 square-foot estate sits minutes from the championship course, providing the perfect headquarters for golf's most prestigious week.

Eight bedrooms with en-suite bathrooms accommodate 16 guests across three levels, each room featuring either King or Queen beds. The master suite commands panoramic views while remaining bedrooms ensure privacy for family, clients, or professional golfers needing championship week housing.

Entertainment spaces rival any Hamptons hotel. The game room features professional billiards and ping pong. The private cinema seats twelve in luxury recliners perfect for reviewing tournament highlights. Four separate dining areas, three indoor, one outdoor, accommodate everything from breakfast meetings to formal dinners.

The wellness facilities help maintain championship focus. A panoramic terrace houses the fitness area with Peloton Bike and infrared sauna. Outside, the 64-foot pool and Jacuzzi provide recovery after long tournament days. The multi-purpose court serves tennis or basketball, ideal for staying loose during golf's most intense week.

Available exclusively for June 2026 at \$250,000 per week, Villa Élysée remains strictly off-market. No online listings exist. Access comes only through NCGVilla's selective process, ensuring complete privacy for high-profile guests.

Your dedicated concierge handles every detail: police escorts through Open traffic, helicopter coordination, chef services, and impossible dinner reservations. While others fight crowds, you'll experience the US Open from a position of absolute comfort and convenience.
