## Description

Picture this: your family gathered around the pool bar while a waterfall cascades behind you. Kids racing between arcade games and the pool. Adults grilling fresh seafood while others lounge in the jacuzzi. This is Villa Epoli.

Set in Casa de Campo's Las Canas neighborhood, this five-bedroom villa sleeps 12 comfortably. The property spreads across manicured tropical gardens where palm trees frame your private paradise.

The main house flows from one space to another. Living areas open to covered terraces. The kitchen connects to outdoor grilling stations. Even the pool has its own bar with cascading water features and built-in loungers.

Your dedicated staff handles the details. The cook prepares meals. The housekeeper keeps everything pristine. The waiter serves drinks poolside. They work from 8 AM to midnight, giving you privacy when you want it.

Kids claim the game room immediately. Arcade machines line one wall. A pool table anchors the space. Foosball competitions run late into the evening. Parents appreciate the separate entertainment wing.

Each bedroom tells its own story. Some feature bunk beds perfect for children. Others offer queen beds with private sitting areas. All include ensuite bathrooms finished in natural stone.

Two golf carts come with the villa. One seats six, the other four. Casa de Campo's beaches, restaurants, and golf courses become quick rides away.
