Description

Wake up to the Mediterranean stretched before you. From your private terrace in Praiano, the Amalfi Coast reveals itself in layers of blue.

This 230-square-meter villa sits between sky and sea. Five bedrooms, each with its own bathroom and personality. The scarlet room opens to morning coffee with a view. The mustard suite features a bathtub facing the horizon. The aqua bedroom spills into gardens where lemons grow.

Two pools await. The outdoor pool catches sunlight among terraces carved into the hillside. When winter arrives, slip into the heated indoor pool. Your private sauna glows with ambient lighting year-round.

Mediterranean tiles tell stories throughout the home. The kitchen island becomes the heart of gatherings. Outside, a ceramic fountain marks where aperitivo hour begins. The outdoor kitchen means dinner happens under stars.

Your butler knows when to appear and when to vanish. A chef prepares one meal daily. Continental breakfast arrives each morning. The famous Africana club sits 650 meters away. Positano beckons at 7 kilometers.

The garden unfolds in rooms. Here, a dining pergola draped in fabric. There, loungers facing endless blue. Stone walls frame spaces where time moves differently.

Daily rates range from €4,500 to €5,500 depending on season.
