Description

Picture yourself on the terrace, morning coffee in hand, watching golfers tee off against Casa de Campo's emerald fairways. This 5-bedroom villa sits at the heart of the Dominican Republic's most exclusive resort.

Fresh from a complete renovation, every detail speaks to Caribbean luxury without trying too hard. The kitchen opens through accordion windows to the pool deck, perfect for those sunset cocktails while dinner sizzles on the stove. Turquoise cabinets nod to the ocean just five minutes away.

Each bedroom comes with its own bathroom. The master suite features an outdoor shower where tropical birds provide the soundtrack. Vaulted ceilings with white-washed beams keep rooms cool and airy, while coral stone bathrooms bring the island indoors.

The heated jacuzzi waits beside the pool, surrounded by gardens that give you privacy from the golf course. Your dedicated staff handle everything from 8 AM to midnight. Two golf carts come with the villa for zipping around the resort.

Whether you're here for the world-class golf, the beaches, or just to disappear for a week, this villa delivers what matters: space to spread out, staff who anticipate your needs, and that rare combination of luxury and comfort where kids can be kids and adults can actually relax.
