Description

Picture waking up to sweeping golf course views from your terrace. Villa Hendi sits in the heart of Las Palmas, where manicured greens meet tropical gardens. This five-bedroom retreat feels like your own private resort.

The main living area stops you in your tracks. Soaring wooden ceilings with exposed beams frame an elegant chandelier. Glass doors disappear into walls, blending indoor and outdoor living. Your pool deck becomes another room, complete with loungers, umbrellas, and an outdoor dining pavilion perfect for long Caribbean lunches.

The kitchen makes cooking feel like an event. A massive island anchors the space, while modern appliances and clean white cabinets create a chef's playground. Each bedroom offers its own personality: some with vaulted ceilings, others opening to private garden views. The bathrooms feature walk-in showers with nature views and natural stone finishes.

Kids (and adults) will love the treehouse tucked among the palms. The jacuzzi overlooks the golf course. Your dedicated staff handles everything while you focus on what matters: relaxation.

Casa de Campo's world-class golf courses, beaches, and restaurants are minutes away. But with this much space and comfort, you might never leave.
