Description

Step into Villa Ivana and feel the warm Caribbean breeze flow through open living spaces that blur the line between indoors and out. This four-bedroom hideaway in Casa de Campo's exclusive neighborhood combines traditional Dominican architecture with the comfort you crave.

High wooden ceilings with exposed beams create an airy cathedral feel throughout. Terra cotta floors lead you from the bright, open kitchen to multiple living areas where white wicker furniture invites long conversations. The dining space opens directly to the pool deck, morning coffee tastes better when you can dip your toes in by noon.

Each bedroom tells its own story. Some feature dramatic thatched-roof ceilings that make you feel like you're sleeping in a luxury treehouse. Others offer peaceful twin setups perfect for kids or friends traveling together. Five bathrooms mean no morning queues, with natural stone accents and traditional tilework adding character.

Outside, your private pool sits surrounded by tropical gardens. A thatched gazebo provides shade for afternoon reading or evening cocktails. The included staff work from 8 AM to midnight, handling every detail while you focus on doing absolutely nothing.

Casa de Campo's world-class amenities lie just beyond your garden. Golf courses, beaches, restaurants, and marina access come with the territory. Your 24/7 concierge arranges everything from yacht charters to private yoga sessions.
