Description

Picture this. You wake up to sunlight streaming through exposed wooden beams. The tropical breeze carries the sound of palm fronds rustling. Coffee awaits in a spacious kitchen while your private pool sparkles just steps away.

Villa Lena sits three blocks from the beach in Casa de Campo's peaceful Los Limones. Four bedrooms sleep ten comfortably. Two master suites with king beds. One room with two queens. Another with bunk beds perfect for kids.

The open-plan living area flows seamlessly to the pool deck. Cathedral ceilings with warm wood beams create that indoor-outdoor Caribbean feeling. Every room stays cool with powerful air conditioning. Five bathrooms mean no morning queues.

Outside is where the magic happens. The heated pool and jacuzzi beckon day and night. Fire up the built-in gas grill or go traditional with charcoal. The covered dining pavilion seats everyone comfortably. Two hanging egg chairs by the pool become the favorite reading spots. Multiple seating areas let everyone find their perfect corner.

Your housekeeper and cook handle the details while you focus on what matters: time with your people. The lush garden creates privacy. The pergola provides shade for afternoon lounging.

Casa de Campo's world-class amenities await nearby. Golf courses, beaches, restaurants, and marina access (resort fees apply).
