## Description

Step into Villa Luisa and feel the stress melt away. This brand-new five-bedroom home sits in Casa de Campo's El Valle, where manicured golf greens stretch beyond floor-to-ceiling windows.

The heart of the villa? A sprawling pool with a swim-up bar. Picture yourself floating with a drink in hand while friends gather at the outdoor TV area nearby. When the sun sets, the heated pool and jacuzzi keep the party going.

Inside, double-height ceilings create drama. Contemporary art pieces dot the walls. The open kitchen flows into the living area, perfect for those moments when the chef prepares dinner while you chat over wine. Each of the five bedrooms features a king bed and modern bathroom. Some include standalone tubs and double vanities.

Your dedicated team handles everything. Two chefs cook. A housekeeper maintains order. A waiter serves poolside lunches. A gardener keeps the grounds pristine. They work from 8 AM to midnight, giving you privacy when needed.

Two golf carts wait in the driveway. Airport transfers are arranged. The 24/7 concierge books yacht charters, arranges spa treatments, or secures dinner reservations.

Daily rates start at \$4,000 during low season (May-October) and reach \$6,200 during peak times (December 20-January 10). A resort fee of \$25 per adult per day grants access to Casa de Campo's beaches and facilities.
