Description

Step into Villa Marylin, where contemporary Caribbean elegance meets intimate luxury. This five-bedroom sanctuary sits within Casa de Campo's manicured grounds, just moments from the Racquet Center and shooting facilities.

The villa's design philosophy shines through every space. Rich wooden four-poster beds frame restful nights, while natural stone bathrooms offer spa-like moments each morning. The heart of the home features an open dining area bathed in natural light, perfect for leisurely breakfasts or evening gatherings. The modern kitchen, with its crisp white cabinetry and striking blue accents, invites culinary adventures.

Outside, Villa Marylin transforms into a tropical playground. The private pool sparkles beneath swaying palms, while the modern pavilion provides shaded lounging with built-in daybeds. Multiple outdoor living areas dot the property: from intimate seating nooks with woven furniture to the barbecue zone ready for sunset dinners. The lush garden envelops everything in privacy and tranquility.

Your dedicated staff handles every detail. A private chef crafts local and international dishes, while the housekeeper and gardener ensure pristine surroundings from 8 AM to midnight. This allows you to focus on what matters: morning swims, afternoon tennis, or simply doing nothing at all.

Each bedroom tells its own story through thoughtful details like decorative wall art, plush benches, and carefully chosen lighting. With configurations ranging from king suites to twin-bedded rooms, the villa comfortably accommodates families, friend groups, or multi-generational gatherings.

Villa rates vary seasonally, starting from \$3,500 per night, with peak holiday periods commanding premium pricing. A minimum three-night stay applies, extending to ten nights during peak season.
