Description

Picture yourself waking up to filtered sunlight through white-washed beams. Coffee in hand, you step onto cool tiles and gaze out at manicured greens stretching toward the horizon. This is morning at Villa Milia.

Set in Casa de Campo's Los Cajules, this five-bedroom retreat sleeps twelve comfortably. The heart of the home opens wide: soaring ceilings crowned with exposed beams create an airy pavilion where indoor and outdoor living merge seamlessly. Wicker chairs invite long conversations. Natural textures warm every corner.

Each bedroom tells the same story of understated Caribbean luxury. Neutral palettes. Clean lines. Windows that frame tropical gardens. The bathrooms feature wooden vanities topped with marble, walk-in showers dressed in decorative tile patterns.

Your private pool sparkles just steps from the living area. An outdoor kitchen stands ready for sunset barbecues. When you're not lounging poolside, the jacuzzi beckons.

A dedicated team keeps everything running smoothly. Your housekeeper, cook, and waiter work from morning until midnight. Need a yacht charter? Private yoga session? Your 24/7 concierge arranges it all.

The kitchen, dressed in soft blue cabinetry, comes fully equipped for your chef to work their magic. Every modern convenience is here: air conditioning throughout, reliable WiFi, all the essentials for work or play.

Garden views surround the property. Golf course vistas reward early risers. This is Dominican Republic living at its finest: refined yet relaxed, private yet connected to Casa de Campo's world-class amenities.
