Description

Picture yourself at the fifth hole of La Romana Country Club. That's your backyard. This sleek single-story home in Casa de Campo blends modern design with Caribbean comfort.

Five bedrooms sleep 14 guests. Each suite opens to private gardens. Three have outdoor showers, wash off the day under palm trees. The 30-meter infinity pool mirrors sunset views while the heated jacuzzi bubbles nearby.

Your dedicated staff handles everything. Two chefs prepare meals in the professional kitchen. The housekeeper, waiter, and gardener work from 8am to midnight. Need something else? 24/7 concierge has you covered.

Work out in the private gym. Challenge friends to billiards or ping pong. The covered terrace seats 12 for dinner, complete with gas BBQ and pizza oven. Two golf carts wait in the driveway for exploring Casa de Campo.

The living spaces flow together: onyx bar wall, 12-seat dining table, study with TV corner. Everything's air-conditioned when you want it, open to tropical breezes when you don't.
