Description

Wake up to Caribbean waves kissing your private beach. Villa Nati brings Santorini to Casa de Campo with whitewashed walls, blue shutters, and endless ocean views.

This beachfront estate spans 1.5 acres. Five bedrooms sleep 12 guests across the main house and guest wings. Each space flows into the next through arched doorways and open terraces. Patricia Reid's interiors blend Mediterranean charm with tropical ease: think warm wood furniture, marble bathrooms, and that perfect balance of luxury and comfort.

Your days start with breakfast under the thatched palapa, pool steps away. The beach beckons through palm trees. Four blue loungers wait on pristine sand. When the sun peaks, retreat to air-conditioned living spaces or the shaded outdoor lounge. The modern kitchen invites gathering while your private cook prepares dinner.

Your dedicated staff handles everything. A housekeeper, cook, waiter, and gardener work from 8am to midnight. The 24/7 concierge arranges yacht charters, spa treatments, or simply ensures your wine stays chilled.

Casa de Campo's world-class golf courses and marina restaurants are minutes away. But with panoramic sea views, a jacuzzi overlooking turquoise waters, and your own slice of beach, leaving feels unnecessary.

The villa includes WiFi throughout, full air conditioning, and all the modern conveniences wrapped in that breezy Greek-island aesthetic.

Daily rates range from \$6,000 in low season to \$15,500 during peak holidays.
