Description

Picture yourself walking down your own private staircase to an exclusive beach. The waves are yours alone. No crowds. No noise. Just the Caribbean Sea stretching endlessly before you.

Villa Nita sits on one of Punta Minitas' most coveted oceanfront lots. Seven bedrooms spread across pristine white pavilions, each designed to catch the sea breeze. High vaulted ceilings with exposed white beams create that classic Caribbean elegance you've been dreaming about.

The main living areas flow seamlessly between indoors and out. Blue and white striped cushions invite afternoon naps. A stone-walled master suite opens directly to ocean views. The circular guest room features a stunning radial skylight that frames the stars at night.

Your days unfold at your own pace. Morning coffee on the covered terrace. Lunch served poolside by your personal chef. Afternoons in the jacuzzi or tucked away in the enclosed gazebo with a book. The expansive lawn hosts everything from yoga sessions to sunset cocktails.

The villa comes fully staffed. Your cook prepares fresh local cuisine. The housekeeper ensures every detail stays perfect. A waiter serves meals wherever you choose: the formal dining room with its woven pendant lights or the outdoor pavilion overlooking the pool.

Casa de Campo's world-class amenities lie just minutes away. Golf courses, tennis courts, equestrian centers, and the marina village. But with your own beach access and such serene grounds, you might never leave.
