Description

Picture waking up in a sun-drenched bedroom, stepping onto your private balcony, and gazing at manicured tropical gardens. That's morning at Villa Noa.

This contemporary five-bedroom retreat sits in Casa de Campo, where modern architecture meets Caribbean soul. Floor-to-ceiling glass doors blur the line between inside and out. Turquoise accents throughout the home echo the pool just beyond your living room.

Each space tells its own story. The master suite features a freestanding tub positioned perfectly for garden views. Four additional bedrooms, some with twins, others with doubles, accommodate 12 guests comfortably. The open-plan living area flows seamlessly to covered outdoor dining, where your private cook prepares fresh local cuisine.

Two pools anchor the property. The main pool stretches along the home's facade, while a private plunge pool creates an intimate escape. Pergola-covered loungers invite afternoon siestas. The jacuzzi promises evening relaxation under Caribbean stars.

Your dedicated staff handles every detail. A housekeeper, cook, waiter, and gardener work from morning until night. Need a yacht charter? Private chef experience? Your 24/7 concierge arranges it all.

Every modern comfort awaits: powerful air conditioning, reliable WiFi, and thoughtfully designed spaces that capture cooling breezes.

Casa de Campo's world-class golf courses, marina, and beaches lie minutes away. Yet Villa Noa feels wonderfully removed from it all.
