# Description

Picture waking up to ocean views in Casa de Campo. That's life at Villa Oriana.

This 10-bedroom estate sleeps 20 guests across sprawling tropical grounds. Each morning starts with breakfast prepared by your private chef while gazing at the Caribbean horizon.

The architecture tells its own story. Soaring wooden ceilings with exposed beams. Open-air living spaces that blur indoor and outdoor boundaries. Multiple pools cascade across different levels, including an infinity edge that seems to touch the sky.

Your days unfold at your pace. Play tennis on the private court. Float in the jacuzzi watching the sunset. Gather for dinner under the stars in the covered outdoor dining pavilion. The dedicated staff handles everything: from cooking authentic Dominican cuisine to keeping the villa pristine.

Inside, modern comforts meet tropical elegance. The gourmet kitchen features professional appliances and warm wood cabinetry. Living areas flow seamlessly between air-conditioned comfort and breezy terraces. Each bedroom offers its own retreat.

The location puts you minutes from Casa de Campo's world-class golf courses, marina, and beaches. Yet the villa feels like its own private world, surrounded by manicured gardens and swaying palms.

Your team includes a cook, waiter, housekeeper, and gardener working 8am-11:50pm. Plus 24/7 concierge service for yacht charters, spa treatments, or any request.

Rates vary seasonally from \$7,000-\$12,000 per night with minimum stays required.
