Description

Wake up to Caribbean waves lapping at your private beach. This vibrant oceanfront villa brings Dominican paradise directly to your doorstep.

Five spacious bedrooms welcome ten guests across this architectural gem, where soaring cathedral ceilings meet bold tropical colors. Traditional wooden beams frame expansive windows that flood every room with natural light. The open-air design invites gentle sea breezes through living spaces adorned with local artwork and handcrafted furniture.

Your infinity pool seems to spill into the ocean beyond, while the beachfront jacuzzi offers front-row seats to spectacular sunsets. A private dock extends into calm waters perfect for morning swims. The lush gardens burst with tropical blooms, creating intimate corners for afternoon siestas in shaded hammocks.

Inside, the gourmet kitchen features granite countertops and professional appliances. Multiple dining areas, from the formal indoor space to the pergola-covered terrace, accommodate everything from casual breakfasts to celebration dinners. Each bedroom sanctuary combines rich hardwoods with cooling tile, luxury linens with garden or ocean views.

Your dedicated staff handles every detail from 8am to midnight. The house manager, chef, server, and gardener ensure seamless days, while 24/7 concierge arranges yacht charters, spa treatments, or golf tee times at Casa de Campo's world-renowned courses.

This isn't just beachfront, it's your own private cove where marina lights twinkle across evening waters. Daily rates range from \$5,000 to \$10,000 depending on season.
