Description

Perched on the dramatic cliffs of Massa Lubrense, Villa Ria captures the essence of Mediterranean luxury. Four bedrooms and five bathrooms accommodate eight guests across a stunning contemporary property where ocean views steal the show from every angle.

Wake to sunlight streaming through floor-to-ceiling windows. Your morning coffee tastes better on the terrace, watching boats dot the sparkling sea below. The infinity pool seems to merge with the horizon, a private oasis where time slows down.

Inside, modern design meets coastal comfort. The open-plan living space features a statement tropical leaf wall, creating conversation while maintaining sight lines to the water. The sleek kitchen invites culinary adventures with top-tier appliances and an island perfect for aperitivo hour.

Each bedroom tells its own story through carefully chosen details, from walk-in closets with ocean views to marble bathrooms that feel like private spas. Natural wood floors warm the contemporary aesthetic throughout.

Outside, multiple dining areas offer choices for every mood. Dine under the stars beneath a traditional wooden pergola. Discover the sunken terrace carved into natural rock formations. Or keep it simple with lunch by the pool.

Your dedicated concierge handles every detail, from yacht charters to private chefs. Air conditioning and WiFi ensure modern comfort.

Daily rates range from €2,700 in low season to €3,000 during peak summer months.
