Description

Villa RioMar represents the pinnacle of Caribbean luxury living in Casa de Campo's most coveted neighborhood. This two-level estate spans generous proportions with six bedrooms and seven and a half bathrooms, delivering space and privacy for the most discerning owners.

The first level flows seamlessly from formal living and dining areas through to a family room, private study, and dual kitchen setup. Indoor spaces merge with outdoor living through covered and open terraces, leading to the resort-style pool area with gazebo and jacuzzi. Three bedrooms on this level include a master suite, while dedicated service quarters ensure effortless estate management.

The second level houses an additional master bedroom and two secondary bedrooms, each thoughtfully positioned for privacy and views. Every room arrives fully furnished with premium selections already in place.

Ten parking spaces accommodate extensive entertaining, while the property's position provides immediate access to Casa de Campo's legendary amenities:

- Walk to the marina.
- Tee off at Teeth of the Dog.
- Dine at Minitas Beach.

Everything that defines Casa de Campo's lifestyle sits minutes away.

This isn't just square footage in a gated community. Villa RioMar offers established luxury in a community where new inventory rarely appears. The property works equally well as a primary residence, vacation estate, or rental investment in a market where demand consistently exceeds supply.

Price: \$4,200,000: Fully furnished and immediate occupancy available.
