Description

Perched above Positano's dramatic coastline, Villa Roberta welcomes twelve guests across six bedrooms in a property where traditional Amalfi craftsmanship meets coastal luxury.

Hand-painted ceramic tiles lead you through arched doorways into sun-filled spaces. Each room tells its story through Murano chandeliers, ornate headboards, and furniture that speaks of Italian artistry. The blue majolica floors, a signature of the coast, create cool pathways between indoor comfort and outdoor terraces.

Multiple levels of terraces cascade down the hillside. The main terrace transforms into an open-air dining room where white wrought-iron furniture sits against that impossible blue of the Tyrrhenian Sea. The pool area features both a swimming pool and jacuzzi, surrounded by the same distinctive blue tiles that define the property's character.

Inside, traditional meets practical. Air conditioning keeps rooms comfortable. WiFi reaches every corner. The 24-hour concierge arranges everything from yacht charters to private chefs. Each of the six bathrooms features both modern fixtures and traditional tile work.

Wake to breakfast on your private balcony. Spend afternoons by the pool. Watch sunset paint the coast gold from any of the panoramic terraces. The village of Positano waits below: close enough to explore, far enough for peace.

Rates from €5,500 to €6,000 per night depending on season, with a minimum three to seven-night stay.
