Description

Picture yourself waking up to Capri floating in the morning light. That's every day at Villa Santa Lucia.

This 19th-century estate sits high above Massa Lubrense, where six bedrooms frame either the famous island or private gardens below. Each bedroom comes with its own bathroom, no morning queues here.

The ground floor flows straight out to the pool deck. Upstairs, the master suite opens onto a private terrace where Capri feels close enough to touch.

Your days revolve around that infinity pool. Morning swims with Capri as backdrop. Afternoon lounging while someone fires up the pizza oven. Evening gatherings around the barbecue as the sun sets behind the island.

The estate handles groups brilliantly. Sixteen guests fit comfortably, but the grounds welcome up to 80 for events. Weddings happen here. Milestone birthdays too.

Walk 700 meters to the beach. Drive 5 minutes to Massa Lubrense's restaurants. Your 24-hour concierge arranges everything: yacht trips, private chefs, whatever you need.

The villa includes WiFi, air conditioning, and parking. Rates start from €3,000 per night.
