Description

Wake up to the sound of waves at Villa Sunset, where your private beach meets crystal-clear Caribbean waters. This stunning oceanfront estate sleeps 10 guests across 4 spacious bedrooms, each designed with comfort and tropical elegance in mind.

The villa's architecture celebrates indoor-outdoor living. Soaring wooden ceilings with exposed beams create an airy atmosphere, while folding glass doors dissolve the boundaries between interior spaces and the palm-fringed landscape. Your private pool overlooks the beach, with a covered pavilion perfect for afternoon siestas or sunset cocktails.

Inside, the gourmet kitchen features professional appliances and a central island ideal for gathering while your private chef prepares fresh local cuisine. Multiple dining areas, from the formal indoor space to the poolside terrace, offer settings for every meal and mood.

Your dedicated staff handles every detail. A housekeeper, cook, waiter, and gardener work from morning until late evening, while 24/7 concierge services arrange everything from yacht charters to spa treatments. Air conditioning and Wi-Fi throughout ensure modern comfort in this tropical setting.

The beachfront location puts you at the heart of Casa de Campo's exclusive community, with world-class golf courses, marina dining, and shopping nearby. Your private pier extends into calm waters perfect for swimming, while the pool and jacuzzi offer alternative spots to cool off.

Daily rates range from \$5,000 to \$10,000 depending on season, with minimum stays from 3-10 nights.
