Description

Eight bedrooms. Nine bathrooms. Sixteen guests. One of the best spots in Casa de Campo.

Villa Tiffy sits in La Barranca, right in the heart of the resort. You get the privacy of a residential villa with full access to everything Casa de Campo offers: Minitas Beach, world-class golf, the marina, Altos de Chavón.

The pool is the centerpiece here. It's big, it has a jacuzzi built in, and it's surrounded by two gazebos where you can escape the sun without going inside. The outdoor space is designed for groups that actually want to spend time together.

Inside, the layout works. Three king bedrooms, two queens, and three rooms with two queen beds each. The master suite has its own TV sitting room, which means you can disappear when you need to. There's also a ground-floor TV room with AC, a bathroom, and a sofa bed for anyone who wants to sleep closer to the action.

Staff is included: two housekeepers, a cook, and a gardener. You can add a private chef if you want meals tailored to your group. The 24-hour concierge handles everything else: yacht charters, spa treatments, personal trainers, nannies, whatever you need.

Casa de Campo requires a resort fee for full access to amenities. Rates start at \$6,000 per night and vary by season.
