Description

Villa Tua brings contemporary tropical living to Casa de Campo's prestigious golf community. This six-bedroom retreat seamlessly blends modern sophistication with traditional Dominican architecture, featuring soaring thatched-roof pavilions that open to lush golf course views.

The heart of the villa centers around an infinity pool that stretches across the property, connecting distinct living pavilions designed for both gathering and privacy. Floor-to-ceiling glass doors dissolve boundaries between indoor and outdoor spaces, while polished stone floors and neutral furnishings create a calming backdrop for Caribbean living.

Each bedroom suite offers its own sanctuary, complete with luxurious bathrooms and private outdoor access. The master suite includes a private plunge pool, perfect for morning coffee or evening stargazing. A professional-grade kitchen equipped with commercial appliances makes entertaining effortless, whether you're hosting intimate dinners or larger celebrations.

Your dedicated staff handles every detail from 8am to midnight: a skilled cook prepares local and international cuisine, while housekeeping and service staff ensure seamless comfort. The 24/7 concierge arranges everything from yacht charters to private yoga sessions.

Multiple dining and lounging areas accommodate different moods throughout the day. Watch sunrise from the poolside breakfast pavilion, enjoy lunch in the air-conditioned great room, or gather for sunset cocktails on the expansive terrace.

Golf enthusiasts wake to manicured fairway views, while the villa's location provides easy access to Casa de Campo's beaches, equestrian center, and marina.
