Description

Villa Vivo sits in the heart of Casa de Campo's exclusive Vivero community, where Caribbean living meets contemporary design. This five-bedroom retreat opens completely to embrace the Dominican breeze, with glass walls that fold away to blur the lines between inside and out.

Walk through carved wooden doors into spaces where bold art pieces command attention. The main living area flows seamlessly—bright sofas anchor the lounge, a glass dining table sits atop Moroccan rugs, and the sleek kitchen island becomes a natural gathering spot. White exposed beams crown vaulted ceilings throughout, while polished stone floors reflect the tropical light.

Each bedroom tells its own story through curated details. Orange geometric patterns pop against crisp white linens in the guest quarters. The primary suite features an upholstered headboard beneath soaring ceilings. Natural stone bathrooms showcase walk-in rain showers and wooden vanities that bring warmth to the spa-like spaces.

Outside, the pool terrace becomes your private resort. Cushioned loungers line the water's edge while the covered outdoor living room offers shade for afternoon conversations. The al fresco dining area seats your entire group as your dedicated chef prepares fresh Caribbean cuisine. Tropical gardens frame every view, creating natural privacy.

Your staff handles every detail from morning coffee to evening cocktails. Minutes away, championship golf courses and Minitas Beach await. The resort's tennis courts, beach clubs, and restaurants expand your options.
