Description

Step into Villa Zas, where Caribbean luxury meets laid-back island living in Las Cañas 2. This six-bedroom haven sleeps 14 guests across thoughtfully designed spaces that flow from indoor elegance to outdoor bliss.

Picture mornings on your covered terrace, sipping coffee while tropical birds sing in the manicured gardens. The villa's contemporary Caribbean design shines through exposed wooden beam ceilings, coral stone accents, and floor-to-ceiling glass doors that erase the line between inside and out.

Your private pool takes center stage, complete with in-water loungers and a shaded cabana perfect for afternoon siestas. Kids will love the dedicated play area with its yellow slide and swings, while adults gravitate toward multiple conversation zones furnished with plush rattan seating.

Each bedroom becomes its own retreat, featuring resort-style furnishings, air conditioning, and those gorgeous vaulted ceilings that make every space feel grand. The master bath spoils you with a freestanding soaking tub positioned to catch garden views through floor-to-ceiling windows.

Your dedicated staff handles everything from breakfast to dinner service, while two golf carts wait to whisk you around Casa de Campo's world-class amenities. The 24/7 concierge arranges everything from yacht charters to private yoga sessions.

Daily rates range from \$5,500 to \$7,800 depending on season, with a seven-night minimum during peak periods.
